PROFILE SUMMARY

Data Analytics graduate with internship experience in SQL, Python, Advanced Excel, and Power BI, supporting data validation, cleansing, transformation, and reporting across business datasets. Skilled in ensuring data quality, analysing large datasets, developing dashboards, and automating reporting workflows. Strong attention to detail with the ability to manage multiple tasks, meet deadlines, and deliver accurate, high-quality analytical solutions in collaborative environments.

TECHNICAL SKILLS

Programming & Analysis: Python (Pandas, NumPy), ANSI SQL, Advanced Excel (Pivot Tables, XLOOKUP, INDEX-MATCH, Power Query)
Data Quality & Processing: Data Validation, Data Cleansing, Data Transformation, Data Standardization, Data Quality Assurance, ETL, Data Integrity
Business Intelligence: Microsoft Power BI, DAX, Dashboard Development, KPI Reporting, Data Visualization, Reporting Automation
Tools: Microsoft Excel, Power BI, Git, GitHub, Jupyter Notebook, VS Code, Microsoft Office (Word, PowerPoint)
Professional Skills: Attention to Detail, Quality Assurance, Problem Solving, Time Management, Documentation, Team Collaboration, Written Communication

EXPERIENCE

- Business Analytics Intern**
BharatSkillz (Startup)

Aug 2025 – Oct 2025
Mumbai, India

 - Validated, cleansed, and standardized 10,000+ business records using SQL and Python to improve data quality and reporting accuracy.
 - Performed quality checks, data verification, and transformation before integrating datasets into Power BI dashboards.
 - Developed KPI dashboards and automated reporting workflows, reducing manual reporting effort by 60%.
 - Maintained data consistency through documentation, validation, and structured reporting processes across multiple business datasets.
- Technical Intern**
GET Tutorials

Jun 2025 – Jul 2025
Mumbai, India

 - Collected, processed, and analysed 500+ chatbot interaction records using Excel and Power BI.
 - Performed data cleaning, validation, and report verification to ensure accurate operational reporting.
 - Created interactive dashboards to monitor engagement trends and support business decision-making.
- Data Analytics Virtual Intern**
Deloitte Australia (Forage)

May 2025
Remote

 - Performed data validation, cleansing, and quality assessment on business datasets using Excel and Tableau.
 - Developed analytical dashboards and reports to communicate insights and support business recommendations.
 - Applied structured data transformation techniques to improve reporting accuracy and consistency.

PROJECTS

- Banking Analytics Dashboard | SQL, Power BI, Excel**

2025

 - Built an interactive banking dashboard by processing and analysing 50K+ customer and transaction records, enabling KPI tracking and management reporting.
 - Performed data validation, cleansing, and transformation using SQL and DAX to improve reporting accuracy and dashboard reliability.
- Financial Operations Analytics | Python, SQL, Excel**

2026

 - Analysed and standardized financial datasets using Python and SQL to perform variance analysis, trend reporting, and operational insights.
 - Automated reporting workflows & data processing tasks, improving reporting consistency while reducing manual effort.
- Healthcare Readmission Prediction | Python, SQL**

2026

 - Processed, validated, and transformed 100K+ healthcare records through data cleaning, feature engineering, and quality assurance techniques.
 - Developed analytical reports and dashboards to improve data visibility and support evidence-based decision making.

EDUCATION

- St. Francis Institute of Technology (SFIT), Mumbai**

2026

B.Tech in Electronics & Telecommunication Engineering

6.7
- Nirmala Memorial Foundation College, Mumbai**

2022

Higher Secondary Certificate (HSC)

58%
- St. Lawrence High School, Mumbai**

2020

Secondary School Certificate (SSC)

75.40%

TECHNICAL PROFICIENCIES

Tools: Power BI, Excel, Jupyter Notebook, Git, GitHub, VS Code
Certifications: Deloitte Data Analytics Virtual Experience, RINEX AI Programme (IIT Collaboration), AWS Cloud Practitioner (In Progress)
Languages: English, Hindi, Marathi, Kannada, Japanese
