MS in Management (Concentration: Strategy)

Seoul, Korea

2019

SKK Business School, Sungkyunkwan University

BBA in Business Administration

Seoul, Korea

2017

RESEARCH INTEREST

Keywords: Algorithms; Human Interaction; Collaboration and Competition; Knowledge and Innovation; Platform Strategy

We are living through a shift in which algorithm-driven technologies are transforming how humans interact, collaborate, compete, and innovate. This raises two questions that guide my research: (1) *how do algorithms shape human interaction, collaboration, and competition?* and (2) *what does it mean for knowledge and innovation in organizations?*

WORKING PAPERS

- [1] **Chung J. S.**, Toh, P. K. Reshaping Human Interaction in Organizations: How Algorithms Automating Mundane Tasks Impact Humans' Idea Generation on GitHub. (Major Revision, *Organization Science*) [[SSRN](#)]
– Winner, Samsung Global Research Scholarship, AKMS, 2024
- [2] Toh, P. K., **Chung, J. S.** Pairing AI with Novices or Experts? Evidence on Performance Improvement When AI Performs Judgement on the Human's Behalf. (Ready to be submitted, *Strategic Management Journal*)
- [3] **Chung, J. S.**, Shen, X. Algorithm Evaluation and Idea Generation. (Writing and Data Analysis)

RESEARCH IN PROGRESS

- [1] Agarwal S., Miller C. D., **Chung J. S.** Product Abandonment in Platform.
- [2] **Chung, J. S.**, Park, J., Pang, M. S. The Integration of Algorithms in Human Decision Making.
- [3] Polidoro, F., **Chung, J. S.** Strategies for Social Insertion into Collaboration Networks: Trade-offs Between Collaborative and Standalone Entries.
– Runner-up, Best Proposal Award, SMS (Cooperative Strategies Interest Group), 2022

OTHER PUBLICATIONS

- [1] Toh, P. K., **Chung J. S.** Competition-Based Network Effect and Heterogeneity in Participation Channels within Platforms. *Academy of Management Best Paper Proceedings*. [[Link](#)]

CONFERENCES, INVITED TALKS, WORKSHOPS

Talks and Conferences

2026 Academy of Management, Philadelphia, PA

2025 INFORMS, Atlanta, GA

2023 Academy of Management, Boston, MA

2022 Strategic Management Society, London; McCombs Annual PhD Research Conference, Austin, TX

Symposia

2024 Co-organizer, *Predictive Technologies and Firm Innovation*. Academy of Management, Chicago, IL

Workshops

2024 Academy of Management TIM Doctoral Consortium, Chicago, IL

2024 Academy of Management STR Dissertation Consortium, Chicago, IL

2022 Annual Data Workshop and Empirical Research Conference on Standardization, Northwestern Center on Law, Business and Economics

2022 Strategy Science Doctoral Workshop and Conference, NYU Stern School of Business

TEACHING EXPERIENCE

Strategic Management of Innovation (MHR 715) 2026–

MBA, Wisconsin School of Business, UW Madison

Strategic Management of Innovation and Corporate Entrepreneurship (MHR 415) 2026–

Undergraduate, Wisconsin School of Business, UW Madison

General Management and Strategy (MAN S374) 2022

Undergraduate, McCombs School of Business, UT Austin

AWARDS, GRANTS, SCHOLARSHIPS

2024 Winner, Samsung Global Research Scholarship, Association of Korean Management Scholars

2023 Graduate Continuing Bruton Fellowship, University of Texas at Austin

2022 Runner-up, Best Proposal Award, Strategic Management Society (Cooperative Strategies Interest Group)

Graduate School Summer Fellowship, University of Texas at Austin

McCombs-Provost PhD Research Fund, University of Texas at Austin

Northwestern CLBE Travel Grant, Northwestern University

2019–25 McCombs School of Business Doctoral Fellowship, University of Texas at Austin

2017–18 Graduate School Connected Scholarship, Sungkyunkwan University

Class Aid Scholarship, Sungkyunkwan University

2016–17 Dean's List (Undergraduate), Sungkyunkwan University

2013–16 Patriot Scholarship (Undergraduate), Ministry of Patriots and Veterans Affairs, Korea

2011–12 Samsung Scholarship (Undergraduate), Samsung Foundation, Korea

SERVICE

Ad-hoc Reviewer: Strategic Management Journal

Conference Reviewer: Strategic Management Society; Academy of Management

Membership: Strategic Management Society; Academy of Management

PhD Advising

- Alex Son (dissertation committee member), University of Wisconsin-Madison

SKILLS

Programming Languages: Python, STATA, L^AT_EX

Visualization Tools: R, Gephi

Database Management: MySQL, BigQuery
